Copy of client's passport

Inventory in Spanish with value and signed by client

Original certificate issued by local authorities on taking up residence (Certificate of Padron)

Copy of title deeds or rental contract for at least 2 years

Application of VAT number and residence permit (NIF form – not NIE)

Gran Canaria require letter from local Town Hall in UK confirming client has been living in that area

Cars

Needs to have owned the car for more than 6 months. Let us know if valued at more than euro10,000. If

client has NIE, Certificate of Padron and letter from UK town hall (if Gran Canaria) then he will avoid 5%

import tax but he will have to pay 11% matriculation tax at some point (has 6 months to register car). Client will be asked to suggest a current value for the car and its normally based on that.

If car not a european make then contact international office
